

TARA SYSTEMS

APPLICATIONS

Floor scales
Bench scales
Truck scales
Hoppers and Tanks
All general purpose weighing
where high visibility is needed

MODEL TR-1-NK

HIGH
VISIBILITY
INDICATOR

FEATURES

NTEP Legal for trade
Industrial sealed
polycarbonate enclosure
14 By 6 By 4 ”
All pushbutton controls
Auto tare
Lb to Kg conversion
Printer output
Computer output
Super bright 2.2 high LED
display
Sealed operational buttons.
Other type enclosures are
available (stainless / steel)
12volt DC models available
Made in U.S.A.

APPLICATIONS

The model TR-1-NK digital scale indicator will interface with all strain-gauge loadcell configurations. It provides all the basic scale operational features for the least cost.

The standard features provide for easy setup and calibration to the weigh platform and simple interface to printers and computers. The TR-1-NK can be ordered with time/date and a variety of firmware options such as ID tare weight memory, weight totalization, peak-hold, and analog signal outputs. The large LED display is easily readable to distances up to 40 feet.

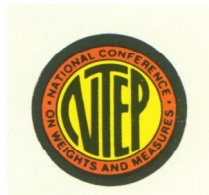

For specialized applications please call for additional support in planning and designing that custom weighing device.

SPECIFICATIONS

Power120vac +- 10% 20 watts typical 220vac optional - 12 volt DC optional
EnclosureABS Nema4X 14 length by 6 height by 3 ”
DisplayHigh efficient bright LED 6 digits 2.25 tall
Load cell supply12 vdc at 500ma.
Temperature0-40c
Humidity.....0 to 80% non-condensing
Resolution.....40,000 internal counts 10,000 displayed counts full scale
Accuracy0.01% of full scale
Linearity0.01% of full scale
Input.....0 to 30mv

Complete digital calibration
Full range push button zero
Lb./Kg conversion with lock-out
Full range auto-tare
Net/Gross display modes
Adjustable sample rate
Adjustable motion detection
Auto-zero tracking
Printer data output
Gross/Tare/Net printing
Computer data output
NTEP COC# 91-077

OPTIONS:
Setpoint
Peak weight hold
Time/date
In/Out weight memory
RS232
Conveyor scale accumulation
Auto-print
Axle or Net weight totals
Wireless remote buttons
